

Public Information

Training and Workshop

The Primary Purpose of our AA fellowship is to serve the still suffering alcoholic. But, we can't serve him/her unless he knows about us and how to find us. Bill W said that we were alcoholics anonymous, not alcoholics hidden out of sight and unavailable. We need to let the public know where we are, how to contact us and where to meet us.

This workshop is co-sponsored by the District 8 and by the Area 10 Public Information Committees. The focus will be on how to go about this process without violating our Traditions or anonymity.

SPEAKERS: Ken P and his team from Denver

Date: Saturday, August 21, 2010
